

Alicia Park Fields

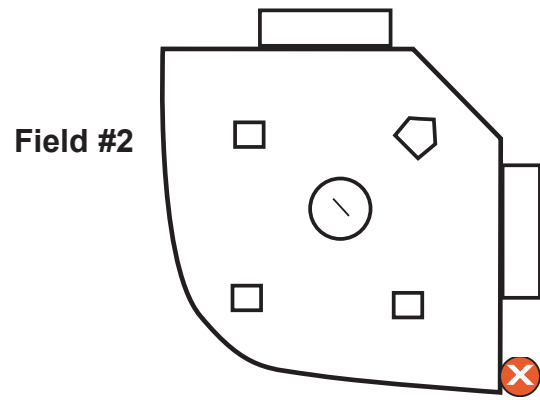

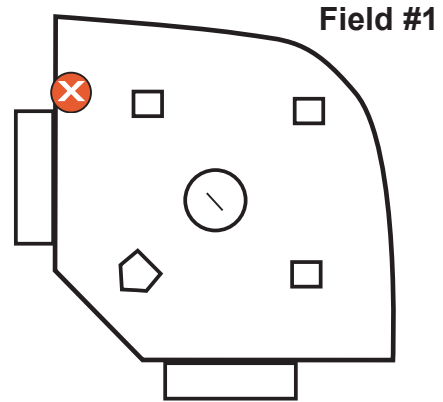

All Fields have **fixed** bases, and are **not** to be removed.

MVGS Lock box attached to bench with keys for Light Box (P5A) and Storage Area (P6).

X All fields at Alicia use gate valves for primary watering. Quick Couplers are available to use with hoses if necessary – (when on-field sprinklers are not working).

Note: All fields at Alicia have power outlets on the light poles (behind 3rd and/or 1st base dugouts)
